Sir,

Buildings - Government - Bellary District - Siruguppa - Revenue ~~xxxxxxxx~~ subordinate's quarters- Local Fund subordinates - Recovery of rent - concessional rates.

Of the vacant tenements in the Revenue official quarters at Siruguppa, ~~there~~ three were allocated to L.F. subordinates, namely, the Local Fund Overseer his clerk, and his servant. In its order No. Mis. C.563 W dated 30-4-~~15~~ 25, Government was pleased to sanction in the case of the said subordinates the concessional rates admissible to Government servants and peons. A question has now been raised whether the said concessional rates should have effect from the date of the said G.O. or from the date of occupation of the quarters by the said subordinates. If retrospective effect is not given to the GO. a recovery of about Rs142 from the occupants concerned becomes necessary, as the normal rates fixed by the P.W.D. prior to the date of the G.O. are higher than the concessional rates. The P/P. President District Board Bellary, brings to my notice that the Accountant General and the Superintending Engineer are pressing for the recovery of the said amount, in the absence of an order of Government giving ~~xxxx~~ retrospective effect to the concessional rates. I request that Government will be pleased to give retrospective

effect to the rates sanctioned in the G.O. as it would be hard to make the recovery now ~~xxxxx~~ demanded by the Accountant General.

For Collector.

Revenue subordinate Quarters Sirsuppa

— Occupation by the L.F. Staff

For Secy

C On G.O No. 563 W of 30.4.25 the Govt. ordered that 3 of the vacant Revenue establishment Quarters at Sirsuppa be let to the Local Fund overseer, his clerk and peon at the rates admissible to Govt. servants. But the Quarters appear to have been occupied by these men

C even prior to the date of the above G.O, and for this period the Standard rent of the Quarters is now claimed. The Quarters would presumably have remained vacant but for their occupation by the Local Fund Staff. The Collector of Bellary has already stated that the L. Fund servants were not prepared to pay the Standard rent, and would occupy the vacant Quarters only if they are let to them at the usual rates charged to Govt. servants. Vide the Collector's

C letter on p 2 of the above G.O. In the Circumstances the Boards recommendation to give retrospective effect
